## ---- Media Release Permission ----

The Columbus High Softball Booster Club has a website that it maintains. On the site, the Booster Club would like to place news and schedules for our teams, photos of players in action, team rosters, and other information about the team.

Information pertaining to Columbus High Softball may also be provided to newspapers and other news agencies, coaching associations, colleges, and other general Softball organizations in an effort to promote the team and its players.

Due to considerations for safety and privacy, we need the permission of the parent(s)/guardian and the player to include the player on the roster and in photos on the website. We also need permission to release player information in connection to Columbus High Softball to the media.

If you feel comfortable having your daughter identified as a member of Columbus High Softball on the website or in any information pertaining to Columbus High Softball released to one of the aforementioned organizations, please complete, sign, and return this permission slip as soon as possible.

**We, the player and the parent(s)/guardian, give permission to have the player identified on the Columbus High Softball website. We also give permission to have the player's name included in any information pertaining to Columbus High Softball provided to newspapers and other news agencies, coaching associations, colleges, and other general Softball organizations. We understand that giving permission means that the student's name, jersey number, and grade will appear on the team roster page, and that photos of the player will appear on the photo page. It also means that the player's name, related information and performance may appear in other areas of the website or in any information released by the Columbus High Softball Booster Club. We also understand that by giving our permission, the player's contact information will be given to some of the parents who help the coaching staff coordinate events and activities pertaining to Columbus High Softball.**
