

The DO's and DONT'S of a Columbus High School Lady Blue Devil Softball Parent:

DO- encourage the team and your child

DO- be a fan/spectator

DO- come to all games

DO- congratulate the team after a win

DO- encourage the team after a loss

DO- help when Booster needs parent volunteers

DO- respect the program: players, coaches, booster

DO NOT- talk to your child while they are in the dugout

DO NOT- instruct from the bleachers

DO NOT- get your child's attention while batting or fielding

DO NOT- walk on field or in dugout

DO NOT- confront coaching staff in a negative way. If you have a concern call or email to make an appointment.

* Please commit to being a positive influence on your child by supporting the program. Speaking ill will to your child about the program, individual players, and coaches causes them to bring ill will while on the field. We are a team and a cohesive unit, negativity will only cause the team to lose focus and break up the cohesiveness.
